

AGREEMENT OF COOPERATION

BETWEEN

THE UNIVERSIDAD DE HUELVA, SPAIN

AND

BENGUET STATE UNIVERSITY, PHILIPPINES

On the one hand, the first party, Prof. Dr. Francisco Ruiz Muñoz, Rector of the Universidad de Huelva, acting as legal representative of the University, with office address Calle Dr. Cantero Cuadrado, 6, 21071 Huelva, Spain and

On the other hand, the second party, Dr. Ben D. Ladilad, President, acting as legal representative of the Benguet State University, with office address La Trinidad, Benguet 2601 Philippines,

DECLARE

1. That the institutions they represent are aware of the necessity to reinforce inter-university relations.
2. That at present there are many opportunities for cooperation, given the openness of mind that prevails in both institutions and the numerous points of interest in common that exist in their respective communities.
3. That the above mentioned cooperation could contribute to a greater mutual understanding of human and material resources.
4. That at present the university is developing research projects, teaching and extra curricula activities that are directly related to the contexts of the Enterprises and Institutions that recognize and collaborate with them.
5. It is considered that institutional collaboration is today a basic necessity and that joint actions will have considerable impact institution-wide for both parties.

By virtue of the aforementioned, the present Framework Agreement is endorsed, in accordance with the following

Clauses

FIRST. The present Framework Agreement will regulate mutual collaboration between the two parties concerning the development of projects and actions related to teaching, research, extra curricula activities and infrastructure which are judged to be of mutual interest for their institutions.

SECOND. The parties agree to carry out joint projects in teaching, research, cultural activities and publications in order to maximise performance of human and material resources in each institution.

THIRD. For each particular initiative a corresponding agreement will be drawn up, specifying the activity, people and institutions involved, materials, budget and funding.

FOURTH. This Framework Agreement is open to any initiative that arises from research groups, institutions or individuals from both Institutions, in any discipline or area that either possesses.

FIFTH. Notwithstanding the resources that either party assigns, both institutions agree to approach either public or private institutions in the manner they see fit to ensure a contribution that will best achieve the objectives of this present Agreement.

SIXTH. The present Agreement does not restrict either party from formalising similar agreements with other Institutions.

SEVENTH. This Framework Agreement will have an indefinite term and will enter into force once it has been signed. The Agreement can be modified or denounced by either party, who could propose its cancellation, without this affecting the Specific Agreements in force. In the event of the termination of a Specific Agreement this will come into effect according to its own rules.

EIGHTH. Any unexpected issues arising from the collaboration will be resolved in common agreement of both parties.
